

Downed tree removal and spring clean ups.

We remove downed trees. We do not climb or do any aerial work so our rates are lower. We can reach about 10 feet up with a pole saw. Yard clean ups and tree removal are billed at \$85.00 per hour plus fees for disposal of trees and yard waste.

We also mow lawns and that is billed at \$65.00 per hour.

Call 508 400 7813 if you have any questions.
